Martha Argerich

Pour Mr de La Rochefordière

Pour Mr. de la Rochefordière -

Dear Sir,

Dear Sir, It is here,

It is here, at the Roque d'Anthéron, that my dear colleague Georges Pludermacher has shown me your wonderful and most interesting invention which really enriches our old piano and enables so many possibilities, as well in the old repertoire as in the future ...

at the Roque d'Anthéron that my dear colleague Georges Pludermacher has shown me your wonderful and most interesting invention which really enriches our old piano and enables so many new possibilities as well in the old repertoire and as in the future ... Thank you for this beautiful pedale harmonique and I wish as many other of my colleagues young

Thank you for this beautiful pedale harmonique, and I wish, as many other of my colleagues young and old, to really be able to play and study with your great gift, present to the world of the piano.
